Summary

Senior Product Manager з 5.5 роками комерційного PM-досвіду у B2B SaaS компаніях (fintech infrastructure, dev tools). Спеціалізуюся на data-driven продуктовому плануванні: побудова OKR/north-star metrics, A/B-test культура з 0, ownership end-to-end від discovery до GA-launch. Останні 2 роки веду продукт з \$4M ARR, 12k B2B users; команда — 5 інженерів + designer + DA.

Experience

Senior Product Manager — Fintech Pulse (B2B accounting API)

Jan 2024 — Present · Kyiv (hybrid) · PRODUCTION

API platform для accounting software vendors (SMB market). 12k активних API клієнтів, \$4M ARR.

- Власник roadmap-у "Multi-currency support" — discovery з 14 design-partners, spec'd 6-month roadmap, shipped перші 3 milestone-и за 4 місяці. Adoption у перші 30 днів — 38% активних клієнтів. ARR contribution: +\$680k annualized.
- Запустила A/B-testing infrastructure через GrowthBook + Amplitude. За 6 місяців проведено 22 експерименти, 9 з статистично значущим winner-impact.
- Веду weekly product reviews з C-level — DAU/WAU/MAU, feature adoption, NPS, churn cohort.
- стек: Amplitude, Mixpanel, Tableau, SQL (advanced), Notion, Linear, Figma (review only), Postman, Stripe Billing.

Product Manager — Octopus Energy Ukraine

Apr 2022 — Dec 2023 · Kyiv · PRODUCTION

B2C energy retail. PM на customer-facing app (Android + iOS + web) — 350k MAU.

- Own-product "Smart Tariff Switching" — recommendation engine який пропонує юзеру оптимальний тариф based on consumption pattern. Hypothesis-testing у 5 cohorts, shipped до 100% UA user base. Conversion to switched tariff: 14% (target 8%).
- Регулярні usability-tests, planning sprint discovery → spec → handoff. Collaboration з 4-розробниковою командою + designer + senior data analyst.
- стек: Amplitude, Mixpanel, ContentSquare, Figma, Jira, Confluence, SQL.

Associate Product Manager — EPAM Systems (B2B internal tools)

Mar 2020 — Mar 2022 · Lviv · PRODUCTION

Internal-facing PM у platform team — продукт для 6500 EPAM-розробників (allocation + project tracking + utilization analytics).

- Discovery + spec нового workflow для project staffing — раніше manual через Excel, після релізу 80% staffing requests through new system. Saved ~12 hours/week per staffing manager.
- Brand-new metric framework для platform health — usage funnel + retention + NPS.

Product Management Intern — Genesis Investments

Jun 2019 — Aug 2019 · Kyiv · INTERNSHIP

Літній intern у portfolio company (mobile gaming product).

- Підтримка senior PM у data-deep-dives: cohort retention, monetization funnel.
- Власна mini-feature — "First-time UX nudges" — shipped, +3% D7 retention.

Skills

Product: Discovery (user interviews, design partners), roadmapping (OKRs, theme-based), PRD/RFC writing, RICE/MoSCoW prioritization, sprint planning + retrospectives.

Analytics & Experimentation: A/B testing design (sample size, MDE, sequential testing), causal inference basics, cohort analysis, funnel decomposition, retention curves.

Tools: Amplitude (advanced, 4+ years), Mixpanel, Tableau (1.5 years), Looker (basic), SQL (advanced), Figma (review), Notion (knowledge base owner), Linear, Jira, GrowthBook, Stripe Billing.

Domain: B2B SaaS GTM, API products, fintech basics (payment rails, ACID accounting), energy retail (consumption modeling, dynamic pricing).

Soft: Cross-functional leadership (eng + design + DA), C-level communication, async-first documentation culture.

Education

Kyiv School of Economics (KSE)

Master's in Management (MBA-track) · 2017–2019 · Completed.

Thesis: "Pricing strategy optimization via dynamic willingness-to-pay surveys".

National University of Kyiv-Mohyla Academy (NaUKMA)

Bachelor's in Economics · 2013–2017 · Completed.

Languages

Ukrainian — native

English — C1 (Advanced); 4+ years daily with UK/US distributed teams, presented at Product School London 2024.

Polish — A2 (basic conversational).

Public Speaking / Writing

Product School London 2024 — talk "Multi-currency at scale: trade-offs no one warned us about" (300 attendees, 4.6/5 rating).

12 Notion-published case studies on product analytics.

Target Roles

Senior Product Manager · Principal Product Manager · Head of Product (smaller team).

NOT interested in: Growth-only PM roles, BizDev-heavy PM, FMCG product roles, operations-disguised-as-PM (Bonus Manager, LiveOps Manager).
