Experience

HR Recruiter — Restream (B2C product, streaming platform)

Jan 2024 — Present · Kyiv (hybrid) · PRODUCTION

Streaming SaaS platform для creators (~2M MAU). Команда HR — 3 рекрутери, я веду tech-half (backend + frontend + DA + QA).

- Закрила 31 IT hire за 12 місяців (avg time-to-hire — 38 днів, target 45).
- Top-of-funnel: побудувала Boolean searches для LinkedIn Recruiter + Hunter — pipeline ~250 sourced candidates/month, conversion to applied: 14%.
- Запровадила weekly hiring-manager-sync ритуал — 0 misalignment incidents за 8 місяців.
- ATS migration з Workable на Greenhouse — discovery, data export, training hiring managers, 0 lost candidate records.
- Тримаю NPS candidates після interview: 4.7/5 (n=84 за рік).

IT Recruiter — TechMagic (outsource agency)

Mar 2023 — Dec 2023 · Lviv (hybrid) · PRODUCTION

Outsource agency, 280 inhouse engineers. Hire mostly Mid+ developers для US/UK clients.

- 22 successful hires за 10 місяців (всі IT — .NET, Node.js, React, QA Automation).
- Sourcing-heavy role: Djinni, Lemon.io, LinkedIn Recruiter, ATS pipeline.
- Працювала з 4 паралельних hiring managers, average 5 active reqs at any time.

HR Coordinator — OLX Group Ukraine

Aug 2022 — Feb 2023 · Kyiv · PRODUCTION

Entry-level HR role — onboarding logistics, ATS data hygiene, candidate scheduling.

- Координація onboarding для 18 нових співробітників.
- Перенесла manual candidate-tracking з Excel на структурований Notion workspace.

HR Intern — Genesis Investments

Jun 2022 — Jul 2022 · Kyiv · INTERNSHIP

Літня internship у HR-команді portfolio company.

- Sourcing candidates для Mid-level positions (mentored by senior recruiter).
- Helped організовувати internal team-building event (40 people).

Skills

Tools — ATS: Greenhouse (1 year owner), Workable (1.5 years), Lever (familiar).

Sourcing: LinkedIn Recruiter (advanced — Boolean strings, X-Ray search, Sales Navigator), Hunter.io, Apollo.io, Lemon.io, Djinni, AmazingHiring.

Comms: Slack, Telegram, Notion (knowledge base), Loom.

Process: Full-cycle recruitment (intake → sourcing → screening → coordination → offer → onboarding handoff), Boolean search construction, compensation benchmarking (DOU, AIN, Glassdoor), calibration sessions з hiring managers.

Tech literacy: розуміння tech stacks і ролей — Backend / Frontend / Fullstack / DevOps / Data

Eng / QA Automation. Basic differences між .NET / Java / Python / Node стеки. Не пишу код, але читаю technical specs у JD.

Domain: B2B SaaS, B2C product, outsource agency models. US/UK/EU compensation ranges для tech roles.

Target Roles

HR Recruiter · IT Recruiter · Talent Acquisition Manager (next step) · Sourcer (specialized role).

Цікавлять product-companies більше за outsource. Не зацікавлена у позиціях HR-Generalist без recruiting фокусу.
